DHS and OHA will use your SSN to help decide if you are eligible for benefits. DHS and OHA may use your SSN to match the information on your application with records provided to, or created by, other state and federal programs and agencies, such as the IRS, Medicaid, Social Security and Employment Department.

DHS and OHA may also use your SSN, at the request of funding agencies, to prepare aggregate data or reports about the programs you apply for and receive benefits from. Specifically, DHS and OHA may use or disclose your SSN to: operate the program you apply for or receive benefits from; conduct quality assessment and improvement activities; verify the correct amount of payments and conduct business with providers; and recover overpaid benefits.
